

Poole Wall Light

Stock Code: GZ/POOLE W

240V wall lantern material/colour 316 marine grade stainless steel and teak

Product Description

Using the finest material available to us, this premier quality collection is a range of lifestyle exterior fittings individually designed to enhance their surroundings, wherever they are installed. The stainless steel used in the products is Marine Grade 316 (as used on ships) and is designed to withstand the most challenging of conditions. The teak used is genuine quality wood from Malaysia and if oiled seasonally will keep its natural appearance for many years. We recommend that you use a small diameter Compact Florescent Lamp (CFL) or similar LED lamps in these fittings.
